

## **LCM BIERFEST**

**Saturday, September 29, 2018 at 5:00 pm**

Join us for our 5th annual Lutheran Campus Ministry Beer Tasting! This year we're going back to where it started - Niwot Market! Come for fun, games, food, friends, and of course great beer! This year's theme is, "Back to the Future!" That means there's a dress code: we're asking that you wear what you wore in college. We'll have games that play with generational differences with today's students and you'll learn about the life changing ways current students are preparing for the future with the help of mentors! There **WILL** be prizes for the costume contest. \$30 Admission includes six four ounce tastes of local beers and dinner catered by Niwot Market.
